

Welcome to Hallam Fields Junior School

Some staff in school you might meet

Mr Brown is the Headteacher. He is usually outside the front of school in the morning to say hello and make sure you are alright. Children get sent with good work to his office to get a Headteacher's award.

Mrs Carr is the assistant headteacher. She will be about to help you and you will see her in the hall at lunchtime or outside on the playground.

Mrs Ashby is in our office and will help you if you need something.

Mr Hussain is someone who you can talk to with any problems.

Final message

We hope you liked looking at all of the photos and it has helped you to know where some things are in school and some of the things we do. There will be lots of adults to help you, and the other children will all want to help you as well.

If over the summer holidays you have something which is worrying you, get an adult to send a message to your new class teacher or to Mr Brown (headteacher@hallamfields.derbyshire.sch.uk) and we will try to answer any questions so that you are less worried. We all can't wait to meet you. Have a brilliant summer holiday and we will see you soon.

Coming in to school

When you come to school in the morning you come in through the double gates.

This is the path that goes through our car park. We open one gate to let year 3 and 4 go this way in to school to their classes.

Coming in to school

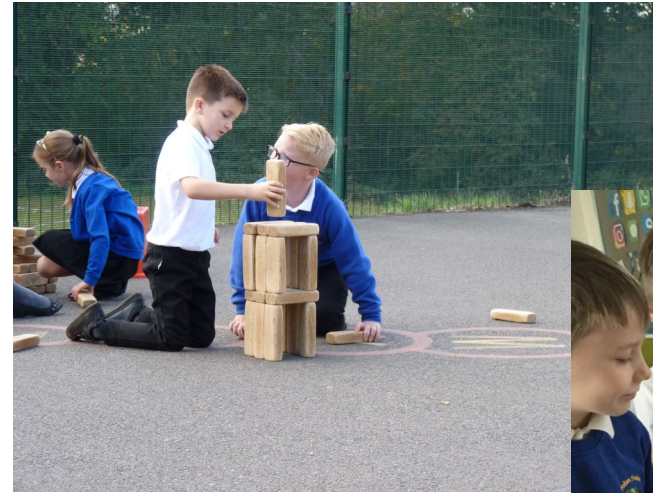

At the bottom of the car park you go through a gate and down a few stairs. You will be able to see our cook in the kitchen starting to make lots of tasty things for dinnertime. As you walk down the stairs you will see the field and playground. You turn to the right and you can see the roof of the year 3 classrooms.

Turn to face the playground and walk down until you see the big gap in the wall.
