-Coronavirus (COVID-19) financial support is available to employers and the self-employed, including sole traders and limited company directors. You may be eligible for loans, tax relief and cash grants, whether your business is open or closed.

-The Working Families link above will take you to an in-depth, yet easy to understand, guide about welfare benefits and how they are affected if your income changes because of coronavirus.

Follow the link at the top left of the page to access the business support finder and discover what support is available for you!

Go to <https://www.gov.uk/browse/childcare-parenting/financial-help-children> to find out what financial support you may be entitled to if you have children.
